

The restored Persian Pool will be framed by a new garden and seating area. Teak benches will face the pool, whose coping is lined with a series of bronze plaques engraved with Persian poems. The benches will allow visitors to leisurely enjoy the poetry, the pool, and the garden.

Contributions at the \$10,000 level will be recognized with an engraved, named dedication on an individual bench in the new Persian poetry garden.

A combination of smaller contributions which total \$10,000 will dedicate one or more communal benches with the inscription *Mehregan 2023*.

Your tax-deductible donation to the Untermyer Gardens Conservancy will help sustain the finest Persian Garden in the Western Hemisphere.

Please use the QR code to contribute or complete the pledge form on the reverse of this card.
