Commemorative Bench Options at Untermyer Gardens

Rustic Stone Bench

A \$10,000 contribution will underwrite the purchase of a rustic stone bench at the base of the Temple of Love. Your dedication will be etched onto the seat. The stone bench is guaranteed for a period of 50 years and will be replaced if it is severely damaged within that time period.

Each individual stone bench becomes part of an unbroken row of benches

The benches look up toward the Temple of Love waterfalls

Teak Bench with Back

The cost of a handsome teak bench with an engraved dedication on the top rail of the bench back is determined by placement: Main level of the Walled Garden or below the Temple of Love: \$7,500; Lower level of the Walled Garden or elsewhere: \$6,000. The bench is guaranteed for a period of 20 years and will be replaced if it is severely damaged within that time period.

Backless Teak Bench

A \$5,000 contribution will underwrite the purchase of a backless teak bench on the main level of the Walled Garden, engraved with a dedication on the seat. The bench is guaranteed for a period of 20 years and will be replaced if it is severely damaged within that time period.

The Untermyer Gardens Conservancy is a 501 (c)(3) organization, and contributions for a memorial bench are fully tax-deductible. Since 2011 the Conservancy has worked to restore Untermyer Park and Gardens, which was once called the most spectacular garden in the country. Now a City of Yonkers park, it welcomes more than 80,000 visitors a year and is one of the only great public gardens in America that is free to the public.
